**STOP!**

No, don't stop packing shoeboxes!! A box is not just a box, it's hope, joy, and love! One box equals one child and one opportunity for that child to find salvation! From there it grows and grows! The more boxes we pack, the more opportunity for children and families to be introduced to the Good News of Jesus Christ! You still have two weeks to pack more boxes!

So why did I say **STOP!** Stop before you put that \$9 per box into one of your shoeboxes. Samaritan's Purse has requested that we mail in our donations this year. Pick up a brochure from the table and you will find an envelope already addressed for you. Simply put your money or check, made out to Samaritan's Purse with OCC on the memo line, inside, seal it, and put it in the mail. Postage is already paid! If you wish, you can also give online @[samaritanspurse.org/donate](https://samaritanspurse.org/donate).

It has come to our attention that students and families are struggling with getting their work completed and needing some extra help. Parents need someone to help fill the gap until school can resume normally. Could that be you? Just an hour or two a week, possibly.

If you have any interest at all or have any questions, about helping with this much needed ministry, please speak with Jeanie Tate at 270-756-5230 or her cell at 270-547-1848. There will be an informational meeting on **Monday, November 9<sup>th</sup>** at **4:15 pm**. to address any questions or concerns that you may have about being a tutor. Thank you for considering this wonderful ministry opportunity!

**Reminder:** We are a **WIFI Hotspot** to better serve the families in the community. Please, let others know that they can sit in their vehicle or under the pavilion and use anytime during daytime hours.

As we approach the Christmas season, we will again be decorating the sanctuary using poinsettias. This year we are going to be purchasing them from Hardesty Farms directly. Bethany Hardesty was Breckinridge County born and raised, and she and her three daughters grow the poinsettias. She will deliver so that we can have them in the sanctuary the entire month of December. We are so excited to be supporting this local family farm, and to be able to make our sanctuary beautiful in the process.
